OUTCOME OF THE ORDINARY AND EXTRAORDINARY SHAREHOLDERS' MEETING HELD ON 18 OCTOBER 2013

Pompey (France), 21 October 2013 (08.30 CET) - All of the proposed resolutions were passed with unanimous consent or a large majority at the ordinary and extraordinary meeting (the "General Meeting") of the shareholders of Global Graphics SE (NYSE-Euronext: GLOG), which was held on 18 October 2013,

EXTRAORDINARY MEETING OF THE COMPANY'S SHAREHOLDERS

Proposed cancellation of the double voting right (1st resolution)

The proposed cancellation of the double voting right attached to the ordinary shares of the Global Graphics SE (the "Company") which have been held in nominative form for a minimum period of two years, as scheduled by the provisions of article 17 of the Company's articles of association, was passed with unanimous consent.

This cancellation was subject firstly to the consent to cancel this double voting right by the special meeting, held on 18 October 2013, of those shareholders of the Company holding shares to which a double voting right is attached, and secondly to the proposed transfer of the Company's registered office to the UK (the "Proposed Transfer") being effective.

It was noted by the Company's Board of Directors during its meeting which was held at the close of the General Meeting that:

- the cancellation of the double voting right was passed with unanimous consent at the special meeting, held on 18 October 2013, of the shareholders of the Company holding shares to which a double voting right is attached (please see the corresponding press release which was issued today); and that
- based on votes issued for the second resolution of the General Meeting relating to the Proposed Transfer, the number of shares for which a share repurchase request may be made is lower than 103,000, since the number of shares held by those shareholders opposing the Proposed Transfer was 80,790.

As a result, the Proposed Transfer and the proposed cancellation of the double voting right are expected within the timeframe and conditions set in the memorandum on the Proposed Transfer (see also the paragraph on the projected next steps of the Proposed Transfer below).

Proposed Transfer (2nd resolution)

As indicated above, the Proposed Transfer was passed with a large majority.

The Proposed Transfer was subject firstly to the approval of the proposed cancellation of the double voting right as set out above, and secondly to the number of shares held by shareholders opposing the Proposing for which a share repurchase would be made being lower than 103,000.

It was noted by the Company's Board of Directors during its meeting which was held at the close of the General Meeting that:

- the cancellation of the double voting right was final, since it was passed with unanimous consent at both the special meeting, held on 18 October 2013, of the shareholders of the Company holding shares to which a double voting right is attached, and the General Meeting; and that
- based on votes issued for the second resolution of the General Meeting relating to the Proposed Transfer, the number of shares for which a share repurchase request may be made is lower than 103,000, since the number of shares held by those shareholders opposing the Proposed Transfer was 80,790.

As a result, the transfer of the Company's registered office to the UK may already be regarded as certain. It will be effective on the date when the Company is registered with Companies House, which should take place before the end of the current financial year (see paragraph on the projected next steps of the Proposed Transfer below).

Attached as an appendix to this press release (**Appendix 1**) is a summary of applicable legal and regulatory provisions with respect to the repurchase of shares held by a shareholder of the Company opposing the Proposed Transfer.
