Explanatory notes to the Notice of Annual General Meeting dated 23 March 2018

Resolutions 1 to 9 set out in the notice of the meeting deal with the ordinary business to be transacted at the meeting.

The special business to be transacted at the meeting is set out in Resolutions 10 to 12.

Election of Directors, Resolutions 4 to 7

The Company's Articles of Association ("Articles") require that all directors of the Company retire from office at each Annual General Meeting and can offer themselves for re-election. This requirement reflects the provisions of the UK Corporate Governance Code, which provides that all directors of FTSE 350 companies should be subject to re-election by their shareholders every year. Whilst the UK Corporate Governance Code does not apply to the Company (as it has its shares admitted to trading on Euronext Brussels), the provisions of the Articles which reflect the requirements of the UK Corporate Governance Code are consistent with the Board's aim of following best corporate governance practice.

Directors' remuneration report, Resolutions 8 and 9

These Resolutions seek shareholder approval for the Directors' Remuneration Report, which includes the Directors' Remuneration Policy. The Directors' Remuneration Report can be found on pages 14 to 19 (inclusive) of the annual report and financial statements for the year ended 31 December 2017.

New regulations came into force on 1 October 2013 in this area, which require the Company (as a company which is officially listed in an EEA State) to offer shareholders: (i) an annual advisory vote on the implementation of the Company's existing remuneration policy, which is set out in the Directors' Remuneration Report; and (ii) a binding vote on the Company's forward-looking Directors' Remuneration Policy, at least every three years. The Company expects to offer a binding vote at each AGM.

Resolution 8 contains the advisory resolution relating to the Directors' Remuneration Report, and Resolution 9 contains the binding resolution in relation to the Directors' Remuneration Policy.

The Directors' Remuneration Policy sets out the Company's future policy on Directors' remuneration. If Resolution 9 is approved, the effective date of the remuneration policy will be the date of the Annual General Meeting.

Authority to purchase own shares, Resolution 10

It is proposed by Resolution 10, by Special Resolution, to authorise the Company generally and unconditionally to make off-market purchases of its own shares for the purposes of or pursuant to an employees' share scheme at a price of not less than the par value of the shares and not more than the higher of (i) 5% above the average closing price for an ordinary share as derived from Euronext Brussels for the five business days immediately preceding the day on which the purchase is made, and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid as stipulated by the Commission-adopted Regulatory Technical Standards pursuant to article 5(6) of the Market Abuse Regulation (in each case exclusive of any expenses payable by the Company).

The authority will be for a maximum of 8.45% of the Company's issued share capital and will expire at the earlier of the next Annual General Meeting of the Company or within 15 months from the date of the passing of this resolution. If passed, the Directors will exercise this authority only if it would be in the best interests of shareholders as a whole.

Power to issue securities, Resolution 11

Under the Companies Act 2006 the Directors of the Company may only allot shares (whether for cash or otherwise) with the authority of shareholders given at a general meeting of the Company. Under Resolution 11, to be proposed as an Ordinary Resolution, authority is sought to allot shares having an aggregate nominal value of €2,000,000, which represented 42.25% of the Company's ordinary share capital as at 23 March 2018.

Power to issue securities, Resolution 12

This resolution, to be proposed as a Special Resolution, will give the Directors power to allot shares up to a maximum aggregate nominal value of €2,000,000, representing 42.25% of the ordinary share capital of the Company as at 23 March 2018, otherwise than in connection with an offer to existing shareholders.

Note: The authorities contained in Resolutions 10, 11 and 12 are intended to reinstate the authorities previously granted. The authorities contained in Resolutions 10, 11 and 12 will expire no later than 15 months after the passing of those resolutions.
